PEPLOS KORE

PEPLOS KORE Questions

- Who is the statue of?
- Can you find these colours on the statue?

red

blue

green

white

brown

black

- How did Ancient Greeks make these colours? How did they make their paints?
- Metal was stuck on the statues too. Can you find

Earrings

Brooches

Umbrella

- What fruit is the statue holding?
- Now look at some plain white (plaster-coloured) statues. Imagine that they were once coloured too! What has happened to the colour? Which do you prefer? Coloured or plain? Why?
- Draw the statue and use colours!

GODS AND GODDESSES

- There are lots of gods and goddesses in the museum! Here are just some of them!
- Always look at what they hold and wear (their attributes).
- After you meet them all, draw and label one of the gods or goddesses.
- Which statue is your favourite and why?

BAY D/E

- This is our HUGE GODDESS

Who is she?

How do you know? (write down at least 2 things)

BAY B: BRONZE GOD

- Some people think this is ZEUS – king of the gods. Some people think that it is POSEIDON (the Romans called him Neptune) – god of the seas. What do you think and why?
- What might he be throwing?

Artemis

What is Artemis the goddess of?

What about this statue tells us this?

Hints on next slide!

Artemis' Attributes

Apollo

- Artemis' Twin Brother!
- Can you find out 3 things he is responsible for?

Hermes - Messenger God

- Roman Name: Mercury
- How do we know this is Hermes?
 -
 -

Aphrodite

GODDESS of LOVE and BEAUTY

How do you know this is Aphrodite?

Need the answers?
